Eligibility:

Our only restriction is that you have no other appropriate transport available at the time that you wish to travel.

Volunteer Car Service:

Volunteers give up their time and use their own car to collect you from home and take you wherever you need to go.

Our Volunteers:

All of our drivers are police-checked volunteers, using their own car, who willingly give their time to support their community.

Without their help and support we would not be able to offer this vital service.

We are always in need of more drivers, if you know of anyone who may be interested.

Ring and Ride

We also operate a minibus service (with tail-lift) which will collect and return you to your door, and runs to a weekly timetable into local towns for shopping etc.

Passenger Club

Please ask about weekend and evening excursions

Minibus Hire
